Daily Paper Wastage

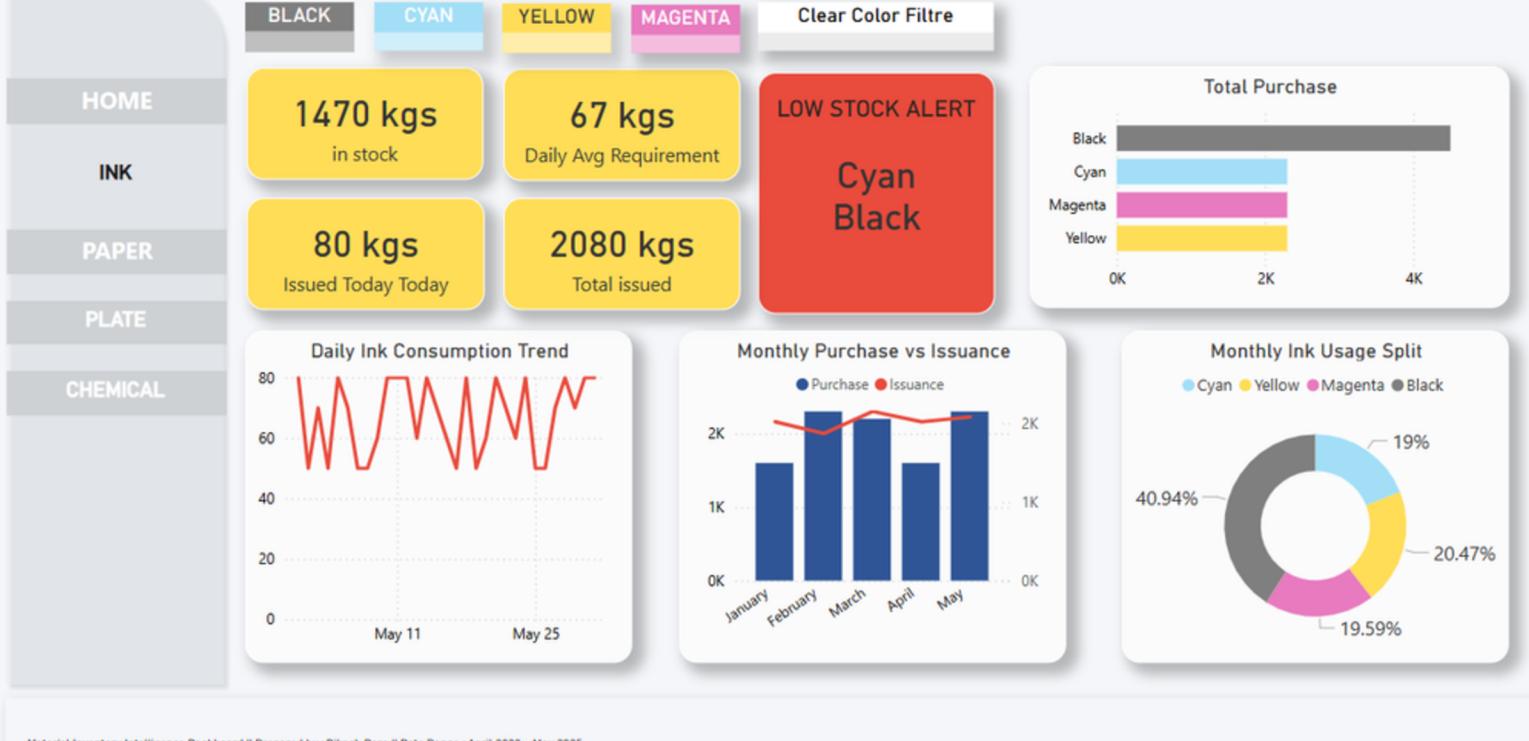

Material Inventory Intelligence Dashboard || Prepared by : Bikash Baro || Date Range : April 2022 - May 2025

Home Page – Showing total purchase + smart alert system and also wastage chart of paper since it is the most expensive raw materials for a newspaper company

2022 2023 2024 2025

May

Material Inventory Intelligence Dashboard || Prepared by : Bikash Baro || Date Range : April 2022 - May 2025

KPI cards for stock, daily usage, and average consumption of each ink type (Cyan, Magenta, Yellow, Black)

Interactive toggle buttons switch between ink views dynamically

Conditional formatting on KPI cards adjusts the card color to match the ink selected

Includes Low Stock Alert Cards for ink, a daily consumption line chart, and a stock vs issuance comparison
